A Free, Internet-Based Activity

Pharmaceutical- vs Dispensary-Sourced Cannabinoids: What's the Difference?

Target Audience

This activity is intended for neurologists, pediatricians, primary care physicians, nurses, and pharmacists.

Learning Objectives

Upon completion of this activity, participants will have:

- Increased knowledge regarding the
 - Differences in the stringency of data required for dispensary-derived vs pharmaceutical-derived cannabinoid preparations
 - Types of pharmaceutical-derived cannabinoid preparations that have been studied in randomized controlled clinical trials
 - Types of dispensary-derived cannabinoids currently available for sale

To access this free CME/ABIM MOC/CE activity, visit https://www.medscape.org/roundtable/cannabinoid-sourcing First-time visitors will be asked to register for free.

This activity is valid for credit from 3/21/2018 through 3/21/2019.

Accreditation Statements

In support of improving patient care, Medscape, LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

For Physicians

Medscape, LLC designates this enduring material for a maximum of 0.50 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ABIM MOC

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 0.50 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC)

program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit. Aggregate participant data will be shared with commercial supporters of this activity.

For Nurse:

Awarded 0.50 contact hour(s) of continuing nursing education for RNs and APNs; 0.50 contact hours are in the area of pharmacology.

For Pharmacists

Medscape designates this continuing education activity for 0.50 contact hour(s) (0.050 CEUs) (Universal Activity Number: JA0007105-0000-18-064-H01-P).
